2021/22 SCHOOL YEAR

STRENGTH FOR THE JOURNEY

Parent/Guardian Commitment

Welcome to Infant Jesus of Prague's Religious Education Program. It is our goal to support all parents and guardians in the formation of your child's Catholic Faith. Our program is designed to help them internalize the Faith and apply it to their own lives. You are the first and best teachers of your children. It is from you that they learn about faith, love and forgiveness. Modeling the faith by actively practicing the Catholic Faith yourself, shows your child what is truly important in your own life. Weekly Mass attendance is the most valuable gift you can give your child. It is also the easiest and most important. Our liturgical celebrations have the greatest educational and formative values. These graces given cannot be duplicated in a classroom. Therefore, regular Mass attendance helps your child develop a strong commitment to their faith.

I understand the importance of regular Mass attendance and intend to help support my child's faith formation with regularly Mass attendance.
